LIST OF ASSIGNED REPORTING MARKS AND UNIFORM ALPHABETIC CODES FOR RAILROAD IDENTIFICATION

Assigned by Association of American Railroads — Corrected to OCTOBER 1, 2021

Explanation of columns and symbols

Col. 1—Reporting marks assigned to railroads operating equipment in interchange service, and reporting marks assigned to private car companies. Marks are shown in independent alphabetic order. The symbol (★) before a set of reporting marks assigned to a private car owner indicates cars bearing these marks are not registered in this issue of *The Official Railway Equipment Register*.

Col. 2—Uniform Alphabetic Code for Railroad Identification assigned by the Accounting Division-Association of American Railroads. Codes are shown in independent alphabetic order.

Col. 3—Name of railroad or private car company. Additional names by which the railroad or private car company may also be known are shown in parentheses. The symbol (*) indicates railroads that have cars in interchange service. The expiration dates of temporarily assigned reporting marks are also indicated in parentheses following the name of the company.
